THE TOP ECOLOGICAL CHOICE IN PAINTS!
For indoor and outdoor surfaces.

smaltoplast

Whichever space you want to transform, whatever the surface, indoor or outdoor, however demanding, the ecological Smaltoplast products are the top choice. Smaltoplast, as the leading line of VECHRO, the top company in accredited ecological paint systems, has never ceased innovating and being renewed, winning the professionals' and consumers' trust.

The new Smaltoplast packaging and logo change and follow the new era of VECHRO, under the flag of Green Creation.

The new Smaltoplast original packaging is designed to help professionals and consumers easily identify the right product for each surface and its needs. Each package is distinguished by its individual colour and name, clearly illustrating the application surfaces and technical characteristics of each product.
